

OPTIONAL 10-YEAR EXTENDED LIMITED WARRANTY FOR LED PRODUCTS

Subject to the limitations set forth in the Nulite Lighting's General Terms & Conditions of Sale, and Limited Warranty, Nulite will cover 100% of the materials during the first five (5) years after shipment, which coverage amount is reduced by 20% beginning on the first day of the sixth year after shipment, and 20% per year each year thereafter. This warranty is applicable only to the replacement of a defective component; labor costs are not covered or included in this warranty except with the express prior written approval of an authorized Nulite representative.

This Limited Warranty will be considered null and void if the Indoor Product is stored or operated in an environment having non-condensed humidity of greater than 80% or ambient temperatures greater than 50°C or less than -20°C, or otherwise in an environment not recommended by Nulite. The Limited Warranty for Exterior Product excludes fatigue, failure, or similar phenomena of the product resulting from induced vibration, harmonic oscillation, or resonance associated with the movements of air currents acting upon the product, damage or discoloration to the coating caused by moisture or other contamination during storage, color fading due to sun exposure, acts of God such as hurricane, tornado, hail, earthquake, floor or other severe weather or natural phenomena. Consult an authorized company representative for any specific temperature or moisture recommendations for a given Product. Be sure to consult the specification sheets for all specifications related to the Product.
