Description:

The Nulite Regolo RT6 series is a nominal 6" profile recessed trimless luminaire. The product is ideal for illuminating corridors, open and private offices, classrooms, lobbies and general purpose rooms.

Specifications:

Construction: The housing consists of extruded aluminum side rails with formed cold rolled steel back channel and heavy gauge end caps. Standard finish is powder coat textured white. Optional silver, black or custom color paint finishes.

Reflector / Ballast: Reflector / ballast cover is finished with high reflectance white paint. Standard electronic, Class P, ballast. Universal (UNV) voltage ballast is from 120 - 277V.

Shielding: Extruded frosted acrylic or satin white acrylic snap-in lens with DR; semi-specular cross blade flush baffle.

Lamping: 1, 2 or 3 lamp cross-section T5, T5HO or T8. Luminaire can be ordered with lamps, consult factory.

Mounting: Recessed, individual or continuous row.

Labels: UL / cUL listed, Non-IC rated, Damp location.

Ordering Information

Sample: RT6-2T8-N-277-PSN-1B-FRF-BK-4'-OS

				HEPS=High Efficiency Program Start							

Notes:

1. Consult factory for availability.
2. Specific voltage must be ordered for this option. Reduced profile battery packs only, consult factory for specifications. Not all electrical options are available.
3. Not all options are available for all lamp configurations.

Shielding Options

Frosted Lens

This diffuser is designed for a balance between efficiency and lens uniformity. (Transmission ~ 89%)

Satin White Lens

This diffuser is designed for visible lens uniformity. It's recommended for regressed lens configuration in our shallow housing. (Transmission ~ 69%)

Semi-Specular Baffle

Sensor Options

Occupancy or Daylight Sensor in a nominal 3" long insert plate. Lamps extend under the sensor plate and are removable without removing the sensor.

Individual Lengths

End cap thickness is 5/64"

Back of Housing Mounting Holes & Power Feed KO

Continuous Non-Staggered Run Lengths

Non-Staggered Run Length (A = Stand Alone Housing, S = Starter Housing, M = Mid Housing, E = End Housing)
